

Lakeville South Swim and Dive Apparel 2008-2009

Dear Lakeville South Swim and Dive Athletes and Families,

It's hard to believe it's almost the end of October and that our season is quickly approaching.

This year for our apparel "Threads and Ink" of Lakeville will be handling all of our apparel needs. Enclosed you will find an order form for this year's apparel.

Our captains have selected warm-ups, team t-shirts, a zip up hoodie, a drag suit and parent t-shirts for you to choose from. The athlete's last name will appear on the back of the t-shirt, on the locker patch (on the back, just below the collar) of the warm up jacket, and it will be an option to put it on the hood of the zip up hoodie. "Threads and Ink" will have samples of the warm-ups, hoodies, and t-shirts for athletes and parents to try on if they wish.

The order dates are from October 29th - November 12th.

"Threads and Ink" will also be collecting payment at the time of ordering. Payment options are cash, check, Visa and Mastercard.

You may bring your order form directly to "Threads and Ink" or you can mail it to them. If you are mailing it please make sure to include payment and be sure that it is received by November 12th.

At our pot luck that will take place after the first Thursday of practice, December 4, 2008, we will distribute the items that were ordered, sign up for volunteer positions, and bring our donations for concessions. Make sure you watch for the flyer that will come home the first day of practice or the web site.

Any questions please feel free to call or email us.
